Fund Overview

Ryan Mortgage Income Fund was established in 1984. The fund's objective is to balance stable annual returns with capital preservation. Ryan's investment strategy is to lend money by way of residential mortgages to Canadians who fall outside of the conventional banking system. Ryan has a unique advantage in its contractual right on all private mortgages originated by Alpine Credits (one of Canada's leading private mortgage groups). Since inception, Ryan Mortgage has always generated a positive annual return with dividend payouts ranging from 9.05% to 9.92% over the past 10 years.
